ANNAPOLIS.

To his Excellency HORATIO SHARPE, Esq;
Governor and Commander in Chief in and over the
Province of MARYLAND.

The humble ADDRESS of the Upper House
of ASSEMBLY.

May it please your Excellency,

WE return your Excellency our sincere Thanks
for the Speech you was pleased to make,
to both Houses, at the Opening of this Session:
And since we cannot express in stronger Terms
than we have heretofore done, our Sense of the
fatal Consequences that must attend the Enemy's
Success in their Attempts on his Majesty's Domi-
nions to the Westward, nothing more remains for
us to say on the Occasion, than to assure you,
that we continue in the same Sentiments, and Re-
solutions, and shall be heartily glad to have it in
our Power to give a fuller Confirmation thereof
than by Words only.

We shall pay all due Regard to what your Ex-
cellency has been pleased to recommend, relating
to such Regulations as his Majesty's Service may
require, in the Hire of Waggons and Horses, and
the Expences of quartering Soldiers, in the public
Ordinaries, on their March through this Province.
And if any other Matter shall be laid before us,
we shall carefully endeavour to discharge our Duty
therein.

B. T A S K E R, President.

February 25, 1755.

To his Excellency HORATIO SHARPE, Esq;
Governor and Commander in Chief in and over the
Province of MARYLAND.

The humble ADDRESS of the House of DE-
LEGATES.

May it please your Excellency,

WE, his Majesty's most dutiful and loyal Sub-
jects, the Delegates of the Freemen of Ma-
ryland, in General Assembly convened, return your
Excellency our Thanks for your Speech, at the
Opening of this Session; and assure your Excellen-
cy, that however sensible we have already expressed
ourselves, of the fatal Consequences which must
attend the Enemy's remaining Masters of the
Country to the Westward; and whatever Promises
we have made on our Part towards averting that
Danger with which their Vicinity threatens us;
the same Sensibility of those Consequences, and
Readiness to perform those Promises, still subsist:
And were the self-interested Motive of our own
Preservation entirely out of the Case, our Sense of
Gratitude and Duty to his most sacred Majesty,
whose gracious Benevolence, and paternal Care,
towards all his Subjects, so highly conspicuous,
would demand from us our warmest and just Ac-
knowledgements, and excite our best Efforts to an-
swer his Royal Expectations.

But we intreat your Excellency to reflect, that
we, the Delegates, make but one Branch of the
Legislature of this Province, and, that without the
Concurrence of the rest, however well disposed we
may be, nothing effectual can be done towards
promoting the present Service, as is too evident
from what we have already unsuccessfully attempted
on this Subject.

We shall, nevertheless, on our Part, take into
Consideration the several Matters by your Excel-
lency laid before us; and hope, the Circumstances
of the Times and People we represent considered,
to acquit ourselves, as not undeserving his Majesty's
Goodness, your Excellency's Approbation, or the Es-
teem of our Constituents and other Fellow-Subjects.

We entertain no doubt of your Excellency's ha-
ving property and frugally disposed of the Sum you
Mention, and readily accept your Offer of an Ac-
count in Part, and hope the same with regard to
the Residue when you shall be able to lay such
Account before us.

Feb. 25, 1755.

H. HOOPER, Speaker.

The Governor's ANSWER.

Gentlemen of the Lower House of Assembly,

BE pleased to think, that your Address gives me
much Satisfaction, as it assures me of the Con-
fidence of your Inclination and Intention to promote
the Service recommended to you, according to the
Ability of your Constituents; and gives me the most
agreeable Hope that his Sacred Majesty's most gra-

acious Benevolence, and paternal Care, towards his
Subjects in these Parts of his Dominions, so highly
conspicuous, will inspire you with reciprocal Sentiments
of Duty and Gratitude; and urge you to evince
both in a Manner most agreeable to his Royal Ex-
pectations. As the other Branches of the Legislature
have also repeatedly made the same Professions, I
hope there is not the least Room to suspect they were
less sincere; and therefore I entertain sanguine Hopes,
that you will now fall on such Measures, to promote
his Majesty's Service, as will meet with their ready
Concurrence; and that the End will now be obtained
which we all seem to have in view, and are equally
solicitous to accomplish.

HOR. SHARPE.

Major General Braddock is arrived in Virginia;
and we are positively told, that 1200 Forces are
come in with him: It is certain the General is arri-
ved; but the Arrival of the Forces is doubted.

Sunday last died of the Pleurisy, at his Plantation
about 9 Miles from Town, on the Patapasco Road,
Mr. RICHARD WARFIELD, in his 79th Year, who
was formerly one of the Representatives in many
Assemblies, for this County, and for many Years one
of our Magistrates; a Gentleman of an upright and
unblemish'd Character.

We hear from Stafford County in Virginia, that
the new Church at Acquias, one of the best Buildings
in that Colony (and the old wooden one near it)
were burnt down on the 17th Instant, by the Care-
lessness of some of the Carpenters leaving Fire too
near the Shavings, at Night, when they left off
Work. This fine Building was within two or three
Days Work of being completely finished and delivered
up by the Undertaker, and this Accident, it is said,
has ruin'd him and his Securities.

By Capt. Brooke, from London, we are inform-
ed, that Capt. JAMES DOBBINS, a Gentleman well
known and respected in this Province, died on board
the Thames Frigate, on his Passage, a few Days
after he left our Capes.

Monday last a Negro Fellow was committed to
Prison here, on a strong Suspicion of having murdered
his Overseer.

On Thursday the Sixth Day of
March, at the House of James Downton, in Low-
er-Marlborough, will be Sold to the highest Bid-
der, for good Bills of Exchange, or Sterling Cash,

A VERY valuable Tract of
Land, lying about three Miles from Lower-
Marlborough Town, containing Four Hundred and
odd Acres, exceeding rich level Land, and little
cleared, with good Improvements.

Also another Tract of Land adjoining to the said
Town, containing Three Hundred and odd Acres,
whereon is an excellent Dwelling House, and all
other Conveniences, and well situated for Trade.

Likewise some Lots in the said Town of Lower-
Marlborough.

All which Lands belonged to Captain Walter
Smith, late of Calvert County, deceased.

Whoever is inclined to purchase the aforesaid
Lands, may be assured there will be an indisputable
Title made by

Christian Smith, Executrix,

ALL Persons indebted to Ri-
chard Gildart, Esq; and Sons, of Liverpool,
Merchants, for Dealings with their several Factors
within this Province, are desired to settle their re-
spective Accounts with, and pay the Balances due
to, the Subscriber, now Agent to the said Company,
at Oxford, before the first Day of July next, other-
wise they may expect to be dealt with, for Reco-
very thereof, as the Laws, in that Case made and
provided, direct: And all Persons who have any
Demands on the said Company, are desired, in
that Time, to apply for Payment to

Thomas Brereton.

By whom is to be Sold, at Oxford, a large As-
sortment of European GOODS, on reasonable
Terms.

NOTICE is hereby given, That
the Subscriber will give constant Attendance
at his Office, in Annapolis, on every Wednesday
and Thursday before the Tenth of April next, to
receive all such Money from the Inhabitants of this
County as is due from them for Public Levies, or
on any other Account, to

Their humble Servant,

John Raist, Sheriff

of Anni-Arundel County.

ALL Persons indebted to the
Estate of Mr. Stephen Onion, late of Dela-
ware County, Iron-Master, deceased, are hereby
desired to come forthwith and discharge their re-
spective Balances, to prevent further Trouble; And
all Persons who have any Demands against the said
Estate, are desired to bring them in, that they may
be paid, by

Deborah Onion, Executrix.

Said Mrs. Onion hath, in Yappa Town, to Let,
at a reasonable Rate, a good Dwelling-House,
Kitchen, and Ground for a Garden, and Fire-
Wood for the Premises.

WHEREAS one William
Mackay, born in Cox-Town, in the Parish
of Gelfy in the Shire of Sutherland, in Scotland,
hath been about 12 or 13 Years in or about Mary-
land; and his Brother, Robert Mackay, being lately
come into this Country, with Sir John St. Clair,
Quarter Master General of his Majesty's Forces in
North-America, and is very desirous to hear of his
Brother, the said William Mackay, and not know-
ing where to apply, takes this Method to find him
out: Therefore this is to desire the said William
Mackay to apply to Mr. William Yeldell, at his
Excellency Governor Sharpe's House, in Annapolis,
where he may be satisfied of every Particular where
his Brother, the said Robert Mackay, is to be found.
